JOHN TRACY CLINIC

BUY A BRICK...BUILD A FOUNDATION

You can help make the sun rise every day for young children with hearing loss. Your compassion and generosity make it possible for these children to open the doors of communication and fulfill their potential in the world. John Tracy Clinic is pleased to offer a unique opportunity for your support to be acknowledged in perpetuity when you sponsor a brick in our Sunrise Courtyard. Your brick, personally engraved with your name, the name of your family or business, will rest in a beautiful setting in the heart of the campus.

For over 60 years, the extraordinary vision of founder Louise Tracy has brought hope, guidance and encouragement to parents of children with hearing loss. All of John Tracy Clinic's family services are free, due to the generosity of private foundations, corporations and individuals. When you sponsor a brick, you are creating a lasting legacy of your support.
